

Hi All

We wanted to draw your attention to the World Marathon Challenge competition which will be held on 7th October 2015.

Now in its eighth year, the event engages school groups from all over the world in a continuous Marathon relay (with groups of around 30 Year 7 children running 200 metres at a time to complete the Marathon distance against the clock and other teams).

The event is fully supported by British Athletics and all the home nation Athletics NGBs and in 2013 with Save the Children as a partner reached 20,000 children from 45 Countries (the engagement map can be found - [HERE](#)).

The event is completely free and no equipment is needed to take part.

Please don't hesitate to get in touch with Sportshall Associates (adam@sportshall.org or 01606 353 550) if you have any problems or questions around the event.

Any help would be massively appreciated.

Thanks. Adam
