

Dear Colleague

Thank you for your offer of help at MCAA WINTER promotions and here are the appointments. The availability form was distributed to officials who have indicated that they wish to receive them and was also available on MCAA website. Information for each meeting will be sent to you shortly beforehand. **Amendments to original appointments are shown in red.**

It may be that in a few cases it was not possible to offer an appointment to an individual official. This could be due to the fact that you were available for only limited meetings, which were over-subscribed or that your return was received after appointments had been made. All offers of help at meetings are very much appreciated. If it has not been possible to offer you an appointment on this occasion, your name has been placed on a reserve list and if places become available, you will be contacted.

This information will be posted to officials who have not given an email address and also posted and updated on the MCAA website.

If any officials have queries about accommodation, they should contact MCAA Office.

Best wishes for an enjoyable season.

Maureen Bullen
